## **REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2018**

The Management Committee presents its report and the Financial Statements for the year ended 31 March 2018.

### **Legal Status**

The Association is a registered non-profit making organisation under the Co-operative and Community Benefit Societies Act 2014 No.2357R(S). The Association is governed under its Rule Book. The Association is a registered Scottish Charity with the charity number SC038237.

### **Principal Activities**

The objects of the Association are:

1. to provide for the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage through the provision, construction, improvement and management of land and accommodation and the provision of care; and
2. any other purpose or object permitted under Section 24 of the Housing (Scotland) Act 2010 which is charitable both for the purposes of Section 7 of the Charities and Trustee Investment (Scotland) Act 2005 and also in relation to the application of the Taxes Acts.

The permitted activities and powers of the Association will include anything which is necessary or expedient to help the Association achieve these objects.

### **Review of Business and Future Developments**

Pineview Housing Association Ltd is a community based housing association in the Drumchapel area of Glasgow. The Association owns 533 properties, part owns 23 shared ownership properties and provides factoring services for a further 29 properties. At the 31/03/18 the Management Committee is made up of 6 Association tenants, 1 local resident and 4 others with an interest in the Association.

The Association does not have any current development plans. Instead the Management Committee continues to concentrate the Association's efforts on maintaining current properties and continually developing customer services for tenants, owners and other customers.

The Management Committee continues to follow a prudent approach to the financial affairs of the Association and retains close control of these. Investments are regularly reviewed to ensure that the Association achieves the best return in a climate of low interest rates, whilst spreading the risk of investments across institutions. The Management Committee also keeps the Association's loan portfolio under review and monitors the impact of financial decisions on the loan covenant conditions that the Association is required to meet.

Along with ensuring effective management of the Association's finances, the Management Committee are committed to ensuring that value for money remains a top priority for the Association. We look to achieve this as an independent RSL and with our local partners. Where it can add value we are working with other local RSLs to procure, purchase and provide. We work closely with the other local RSLs especially in terms of staff and committee training, welfare benefits advice services and some maintenance procurement. We also work with other Associations across Glasgow on common projects, such as the Glasgow Housing Register. We will continue joint working, where appropriate, into the future. This commitment to ensuring value for money is recognised by our tenants, with 94.14% of tenants who took part in our 2016 independent satisfaction survey stating that they feel that the rent for their property represents good value for money, this is an increase from 77.88% in 2013.

# **PINEVIEW HOUSING ASSOCIATION LIMITED**

---

## **REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2018**

### **Review of Business and Future Developments (Continued)**

Ensuring the collection of rental income remains a priority for the Association. While working to keep rents affordable we need to ensure that we maximise our collection of rental charges due. This has been a challenge with the introduction of UK Government Welfare Reforms but the Association staff continue to work with our tenants to assist and help resolve any debt issues.

In addition to day to day repair work, the Association continues to undertake planned replacements of components and cyclical maintenance works, and these areas of work continues to be where we spend most. During 2017/18 the Association continued its ongoing cyclical maintenance and planned renewal programmes. We also, following tenant consultation, carried out major works to replace a district heating system with individual heating systems. During 2017/18 the Association also finalised its 30 year maintenance projection work to ensure that property standards are maintained in the longer term. From this, long term financial projections were put together and independently reviewed, confirming the viability of the Association.

The Management Committee continued their annual committee member reviews to ensure that as a committee, and as individual committee members, they meet regulatory and good practice requirements.

Tenant involvement is crucial to the success of the Association and we are very grateful to our active Resident and Customer Forum for all the work they do with us.

# PINEVIEW HOUSING ASSOCIATION LIMITED

## REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2018

### Management Committee and Executive Officers

The members of the Management Committee and the Executive Officers are listed on Page 1.

Each member of the Management Committee holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of Directors, they act as Executives within the authority delegated by the Management Committee.

The members of the Management Committee are also Trustees of the Charity. Members of the Management Committee are appointed by the members at the Association's Annual General Meeting.

### Statement of Management Committee's Responsibilities

The Co-operative and Community Benefit Act 2014 require the Management Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements, the Management Committee is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business;
- prepare a statement on Internal Financial Control.

The Management Committee is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to: ensure that the Financial Statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements - 2015. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Management Committee must in determining how amounts are presented within items in the income and expenditure account and balance sheet, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

In so far as the Management Committee are aware:

- There is no relevant audit information (information needed by the Housing Association's auditors in connection with preparing their report) of which the Association's auditors are unaware, and
- The Management Committee have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Housing Association's auditors are aware of that information.

# PINEVIEW HOUSING ASSOCIATION LIMITED

---

## REPORT OF THE MANAGEMENT COMMITTEE FOR THE YEAR ENDED 31 MARCH 2018

### Statement on Internal Financial Control

The Management Committee acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records;
- the safeguarding of assets against unauthorised use or disposition.

It is the Management Committee's responsibility to establish and maintain systems of Internal Financial Control. Such systems can only provide reasonable and not absolute assurance against material financial mis-statement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association's assets;
- experienced and suitably qualified staff take responsibility for important business functions and appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the management team and the Management Committee to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- Quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- Regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies.
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Management Committee;
- the Management Committee receive reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

The Management Committee has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year ended 31 March 2018. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

### Donations

During the year the Association made charitable donations amounting to £838 (2017 - £1,747).

### Auditors

A resolution to re-appoint the Auditors, Alexander Sloan, Chartered Accountants, will be proposed at the Annual General Meeting.

### By order of the Management Committee

#### JOYCE ORR

Secretary

## REPORT BY THE AUDITORS TO THE MEMBERS OF PINEVIEW HOUSING ASSOCIATION LIMITED ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the Financial Statements, we have reviewed your statement on page 5 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

### **Basis of Opinion**

We carried out our review having regard to the requirements relating to corporate governance matters within Bulletin 2006/5 issued by the Auditing Practices Board. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reasons given for non-compliance.

### **Opinion**

In our opinion the Statement on Internal Financial Control on page 5 has provided the disclosures required by the relevant Regulatory Standards with the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the Financial Statements.

Through enquiry of certain members of the Management Committee, and Officers of the Association, and examination of relevant documents, we have satisfied ourselves that the Management Committee's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls within the publication 'Our Regulatory Framework' and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PINEVIEW HOUSING ASSOCIATION LIMITED

### Opinion

We have audited the financial statements of Pineview Housing Association Limited ("the Association") for the year ended 31 March 2018 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with the Co-operative and Community Benefit Society Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2018 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefits Societies Act 2014, the Housing (Scotland) Act 2014 and the Determination of Accounting Requirements 2015.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Management Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Management Committee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Association's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

# PINEVIEW HOUSING ASSOCIATION LIMITED

---

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PINEVIEW HOUSING ASSOCIATION LIMITED (Continued)

### Other information

The Management Committee is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Management Committee.

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of the Management Committee

As explained more fully in the Statement of Management Committee's Responsibilities as set out on Page 4, the Management Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Management Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

# PINEVIEW HOUSING ASSOCIATION LIMITED

---

## INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PINEVIEW HOUSING ASSOCIATION LIMITED (Continued)

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Committee.
- Conclude on the appropriateness of the management committee use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Association to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Association's audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# PINEVIEW HOUSING ASSOCIATION LIMITED

## FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 NOTES TO THE FINANCIAL STATEMENTS

### 1. PRINCIPAL ACCOUNTING POLICIES

#### Statement of Compliance

These financial statements were prepared in accordance with Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Statement of Recommended Practice for social housing providers 2014. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods on or after 1 January 2015.

#### Basis of Accounting

The Financial Statements have been prepared in accordance with applicable Accounting Standards, the Statement of Recommended Practice - Accounting by Registered Social Landlords 2014, and on the historical cost basis. They also comply with the Determination of Accounting Requirements 2015. A summary of the more important accounting policies is set out below.

#### Revenue

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government Grants are released to income over the expected useful life of the asset to which it relates.

#### Retirement Benefits

The Association participates in the Scottish Housing Association Defined Benefits Pension Scheme and retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating Associations taken as a whole. The Association has moved from the Defined Benefit scheme to the Scottish Housing Association Defined Contribution Scheme.

The Association accounts for amounts that it has agreed to pay towards the Scheme deficit in accordance with paragraph 28.11A of FRS 102. The present value of this liability has been recognised in the Statement of Financial Position. The discount rate applied to this obligation is that of a yield rate for the high quality corporate bond.

#### Valuation Of Housing Properties

Housing Properties are stated at cost less accumulated depreciation. Housing under construction and Land are not depreciated. The Association depreciates housing properties by major component on a straight line basis over the estimated useful economic lives of each identified component. All components are categorised as Housing Properties within note 12. Impairment reviews are carried out if events or circumstances indicate that the carrying value of the components listed below is higher than the recoverable amount.

Component	Useful Economic Life
Kitchens	15 Years
Bathrooms	30 Years
Boilers	15 Years
Radiators	30 Years
Windows	35 Years
External Doors	20 Years
Internal Doors	30 Years
Rewiring	30 Years
Structure	50 Years

# PINEVIEW HOUSING ASSOCIATION LIMITED

## FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 NOTES TO THE FINANCIAL STATEMENTS (Continued)

### 1. PRINCIPAL ACCOUNTING POLICIES

#### Depreciation and Impairment of Other Non-Current Assets

Non-current Assets are stated at cost less accumulated depreciation. Depreciation is charged on a straight line basis over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Office Premises	2%
Furniture, Fittings and Equipment	33%
Motor Vehicles	33%

The carrying value of non-current assets are reviewed for impairment at the end of each reporting period.

#### Social Housing Grant and Other Grants in Advance/Arrears

Social Housing Grants and Other Capital Grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which it relates.

Social Housing Grant attributed to individual components is written off to the Statement of Comprehensive Income when these components are replaced.

Social Housing Grant received in respect of revenue expenditure is credited to the Statement of Comprehensive Income in the same period as the expenditure to which it relates.

Although Social Housing Grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

#### Sales Of Housing Properties

First tranche Shared Ownership disposals are credited to turnover on completion. The cost of construction of these sales is taken to operating cost. In accordance with the Statement of Recommended Practice, disposals of subsequent tranches are treated as non-current asset disposals with the gain or loss on disposal shown in the Statement of Comprehensive Income.

Disposals of housing property under the Right to Buy scheme are treated as non-current asset disposals and any gain or loss on disposal accounted for in the Statement of Comprehensive Income.

Disposals under shared equity schemes are accounted for in the Statement of Comprehensive Income. The remaining equity in the property is treated as a non-current asset investment, which is matched with the grant received.

#### Taxation

The Association is a Registered Scottish Charity and is not liable to taxation on its charitable activities.

#### Estimation Uncertainty

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Board of Management to exercise judgement in applying the Association's Accounting Policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below:

##### a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

##### b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

##### c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

##### d) Costs of shared ownership

The Association allocates costs to shared ownership properties on an percentage basis split across the number of properties the Association owns.

# PINEVIEW HOUSING ASSOCIATION LIMITED

## FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 NOTES TO THE FINANCIAL STATEMENTS (Continued)

### 1. PRINCIPAL ACCOUNTING POLICIES

#### **Leases/Leased Assets**

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives.

#### **Works to Existing Properties**

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property.

#### **Key Judgements made in the application of Accounting Policies**

##### ***a) The Categorisation of Housing Properties***

In the judgement of the Management Committee, the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

##### ***b) Identification of cash generating units***

The Association considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

##### ***c) Pension Liability***

In March 2018 the Association received details from the Pension Trust of the valuation of the pension scheme at September 2015 and the Pension Trust's estimate of the Association's future past service deficit contributions. The Association has used this to provide the basis of the pension past service deficit liability in the financial statements. The Management Committee feels this is the best available estimate of the past service liability.

#### **Financial Instruments - Basic**

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

## FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2018 NOTES TO THE FINANCIAL STATEMENTS (Continued)

### 25. RETIREMENT BENEFIT OBLIGATIONS

#### General

Pineview Housing Association Limited participated in the Scottish Housing Association Pension Scheme (the scheme).

The Scheme is a multi-employer defined benefit scheme. The Scheme is funded and is contracted out of the state scheme.

It is not possible in the normal course of events to identify the share of underlying assets and liabilities belonging to individual participating employers as the scheme is a multi-employer arrangement where the assets are co-mingled for investment purposes, benefits are paid from the total scheme assets, and the contribution rate for all employers is set by reference to the overall financial position of the scheme rather than by reference to individual employer experience. Accordingly, due to the nature of the Scheme, the accounting charge for the period under FRS102 represents the employer contribution payable.

The last valuation of the Scheme was performed as at 30th September 2015 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was £612m. The valuation revealed a shortfall of assets compared with the value of liabilities of £198m (equivalent to a past service funding level of 76%).

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal. Then the liability of the withdrawing employer is re-apportioned amongst the remaining employer. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

Pineview Housing Association Limited's estimated debt on withdrawal has been calculated as £1,921,112 at 30 September 2017. The Association has no plans to withdraw from the Scheme.

All employer's in the scheme have entered into an agreement to make additional contributions to fund the scheme's past service deficit. This obligation has been recognised in terms of Para 28.11A of Financial Reporting Standard 102. At the statement of financial position date the present value of this obligation was £267,000 (2017 - £331,000). This was calculated by reference to the terms of the agreement and discounting the liability using the yield rate of a high quality corporate bond with a similar term. This discount rate used was 1.51% (2017 - 1.06%).

The Association made payments totalling £127,744 (2017- £114,827) to the pension scheme during the year.
