Good Food Scotland

GOOD FOOD SCOTLAND

Good Food Scotland are affordable food co-operatives helping thousands of people stretch their money further. We ask each potential member to complete a short application form. This can be done for them if they are unable to do so.

A membership fee of £1 a month enables people to shop for fresh, chilled, frozen, long-life, and household goods - including fresh meat, fish, milk, cheese, eggs, fruit and vegetables - at their nearest Larder or Community Shop. We have seven affordable food spaces at the moment with more planned in the coming months.

WRAPAROUND SUPPORT

We consistently receive very positive feedback from our members – some even stay a while for a chat!

Our network is growing daily, so if we can't help with something, we will signpost to an agency or organisation that can.
