Why I would like to be elected as a committee member of Pineview Housing Association:

I have lived in in Drumchapel for many years and have been a Pineview tenant in my current home since 2000. I joined the Pineview committee in 2013 as a co-optee and first stood for election in 2014, and then again in 2016 and 2018. Under the Rules it is time for me to retire again but I would like to remain a committee member and continue in my role to make sure tenants interests are represented and taken account of. I would also encourage any other tenants who are interested to get involved.

Current Involvement:

I joined the Pineview Committee in February 2021 following the Kendoon Transfer of Engagements. My experience of working extensively through the transfer process has given me a better understanding of operational procedures, housing regulations, obligations as a committee and wider community benefits. Having lived in the area for over 33 years I have a good understanding of the challenges that Drumchapel residents experience on a daily basis and I am committed to tackling such challenges to ensure greater opportunities are more easily available to all.
